## **Mrs. Jennifer Sticker** **Social Studies Teacher**

Hello! My name is Jennifer Sticker. I am excited to work with the students at MCVA! We have a great program and wonderful staff members. It is going to be an awesome year!

I have been teaching for 18 years. I have taught 6th grade social studies and math. I received my degree from the University of North Alabama. My favorite subject is history, but I also have a deep love for art. I was an art major prior to switching to education.

I have two beautiful daughters. Caroline is a freshman at Hazel Green High. She loves playing volleyball and softball. Katie Ann is in the 1st grade at Lynn Fanning Elementary. She loves to dance and swim.

One interesting fact about me is that I love party planning. I make hand-made cards and birthday cakes. When I was in high school, I was a cake decorator in a grocery store. I also love being outdoors and spending time with my family.
